# IMPORTANT SAFETY INSTRUCTIONS

---

**Please read and keep all safety and use instructions.**

## **Important Safety Instructions**

1. Read these instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
6. Only use attachments/accessories specified by the manufacturer.
7. Unplug this apparatus during lightning storms or when unused for long periods of time.
8. Refer all servicing to qualified personnel. Servicing is required when the apparatus has been damaged in any way.

## **WARNINGS/CAUTIONS**

This symbol means there are important operating and maintenance instructions in this guide.

- Use this product only with an agency approved power supply which meets local regulatory requirements (e.g., UL, CSA, VDE, CCC) in accordance with the manufacturer's specifications.
- The product markings are located on the bottom and inside foot of the product.
- Do NOT place naked flame sources, such as lighted candles, on or near the product.
- Do NOT make unauthorized alterations to this product.
- If the battery leaks, do not allow the liquid to come in contact with the skin or eyes. If contact is made, seek medical advice.
- Do not expose products containing batteries to excessive heat (e.g. from storage in direct sunlight, fire or the like).

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by Bose Corporation could void the user's authority to operate this equipment.

This device complies with part 15 of the FCC Rules and with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with FCC and Industry Canada radiation exposure limits set forth for general population. It must not be co-located or be operating in conjunction with any other antennas or transmitters.

This equipment should be installed and operated with a minimum distance of 8 inches (20 cm) between radiator and your body.

Meets IDA Requirements.

### **CAN ICES-3 (B)/NMB-3(B)**

#### **Management Regulation for Low-power Radio-frequency Devices**

##### **Article XII**

According to "Management Regulation for Low-power Radio-frequency Devices" without permission granted by the NCC, any company, enterprise, or user is not allowed to change frequency, enhance transmitting power or alter original characteristic as well as performance to an approved low power radio-frequency devices.

##### **Article XIV**

The low power radio-frequency devices shall not influence aircraft security and interfere legal communications; If found, the user shall cease operating immediately until no interference is achieved. The said legal communications means radio communications operated in compliance with the Telecommunications Act.

The low power radio-frequency devices must be susceptible with the interference from legal communications or ISM radio wave radiated devices.

**DON'T** attempt to remove the rechargeable lithium-ion battery from this product. Contact your local Bose retailer or other qualified professional for removal.

Bose Corporation hereby declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC and all other EU directive requirements. The complete declaration of conformity can be found at: [www.Bose.com/compliance](http://www.Bose.com/compliance)

**Please dispose of used batteries properly, following local regulations.** Do not incinerate.

This symbol means the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment. For more information on disposal and recycling of this product, contact your local municipality, disposal service, or the shop where you bought this product.

Download Bose® Connect to easily manage *Bluetooth*® connections, unlock features and access future updates.

## Features

---

- Unlock the full potential of your speaker.
- Free app compatible with most Apple and Android™ systems.
- Easily connect to and switch between multiple mobile devices with a single swipe.
- Disable voice prompts.
- Keep your speaker up-to-date with the latest software.
- Customize speaker settings, like voice prompt language.

# Unpacking

---

Carefully unpack the carton and confirm that the following parts are included:

SoundLink Color *Bluetooth*® speaker II

USB charging cable

If part of the speaker is damaged, do not use it. Contact your authorized Bose® dealer or Bose customer service. Refer to the contact sheet in the carton.

## Placement guidelines

---

- For best *Bluetooth*® performance place your mobile device within 33 ft. (10 m) of your speaker, and make sure there is a clear line of sight between you and your speaker. Moving your mobile device further away, or not having a clear line of sight, may impact sound quality, and your mobile device may disconnect from your speaker.
- For optimal performance, place the back of your speaker near, but not directly against a wall. Bass response decreases as you move your speaker away from a wall.
- Keep other wireless equipment at least 3 ft. (1 m) away from your speaker.
- Place your speaker and your mobile device outside of and away from metal cabinets, other audio/video components and direct heat sources.

**CAUTION:** Stand your speaker on its base. Standing your speaker on any other side may cause damage to your speaker and affect sound quality.

# Connecting to power

---

Your speaker ships with a partial charge. Before using your speaker for the first time, connect it to a USB wall charger or computer that is powered on. Your speaker does not need to be fully charged, but it does require the initial connection to activate the battery.

**Note:** Use a 1000 mA power source for the best speaker charging experience. Using a power source with less than 1000 mA may result in a slower charging time or your speaker may not be able to charge while playing audio.

1. Plug the small end of the USB charging cable into the micro-B USB connector on your speaker.

2. Plug the other end into a USB wall charger or computer that is powered on.

The battery indicator blinks amber, and your speaker emits a tone. When fully charged, the battery indicator glows green.

# Powering on your speaker

---

On the button pad, press the Power button .

- The first time the speaker is powered on, the *Bluetooth*® indicator blinks blue, and you hear a voice prompt to select a language (see page 14).
- When the speaker has been powered on previously and at least one mobile device has been paired, the *Bluetooth*® indicator blinks white and the speaker connects to the last two mobile devices.

You hear “Battery <low/medium/high>. Connected to <mobile device name>.”  
The *Bluetooth*® indicator glows solid white.

## Control buttons

The button pad enables you to power on your speaker and control your speaker's playback, volume and speakerphone.

**Note:** Certain mobile devices may not support these functions.

## Using the Multi-function button

This button controls music sources and speakerphone calls on your mobile device from your speaker.

### Playback controls

Play	Press ●●●.
Pause	Press ●●●. <b>Note:</b> In Input mode, pressing ●●● mutes the audio (see page 20).
Skip forward to the next track	Press ●●● twice.
Skip backward to the previous track	Press ●●● three times.

### Speakerphone controls

Make a call	Press and hold ●●● to access voice control on your mobile device. <b>Note:</b> See page 13 for more information.
Switch a call from speakerphone to your mobile device, while on a call	Press and hold ●●●.
Answer a call	Press ●●●.
Reject a call	Press and hold ●●●.
End a call	Press ●●●.
Mute a call	Press and hold + and - simultaneously. Press and hold again to unmute.
Switch between calls	While on a call, press ●●● to answer a second call. Press ●●● twice to switch between the calls.

## **Accessing voice control on your mobile device through your speaker**

The speaker microphone acts as an extension of the microphone in your smartphone. Using the Multi-function button ●●●, you can access the voice control capabilities on your mobile device to make/take calls or ask Siri® or Google Now™ to play music, tell you the weather, give you the score of a game, and more.

Press and hold ●●● to access voice control on your mobile device.

## **Voice alerts**

Your speaker identifies incoming callers (when applicable). To disable this feature, see “Disabling voice prompts” on page 14.

## SETTING UP VOICE PROMPTS

---

Voice prompts guide you through the *Bluetooth*® pairing and connecting processes.

### Pre-installed languages

---

- English
- Spanish
- French
- German
- Mandarin
- Japanese
- Korean
- Italian
- Portuguese
- Swedish
- Dutch
- Russian
- Polish

#### To check for additional languages

Visit: [global.bose.com/Support/SLCII](https://global.bose.com/Support/SLCII)

You can also use the Bose Connect app (see page 7).

If your language preference is not available, see “Disabling voice prompts.”

### Selecting a language

---

1. Press **+** or **-** to scroll through the languages.
2. When you hear your language, press and hold the Multi-function button **•••** to select it.

You hear a beep and “Ready to pair.”

### Disabling voice prompts

---

Press and hold **+** and **-** simultaneously until you hear “Voice prompts off.”

**Note:** Repeat to re-enable voice prompts.

### Changing the language

---

1. Press and hold **⊕** and **+** simultaneously until you hear the voice prompt for the first language option.
2. Press **+** or **-** to scroll through the languages.
3. When you hear your language preference press and hold **•••** until you hear a beep and “Connected to <mobile device name>.”

*Bluetooth*® wireless technology lets you stream music from *Bluetooth* smartphones, tablets, computers or other devices to your speaker. Before you can stream music from a mobile device, you must pair the device with your speaker.

## Choosing your pairing method

---

You can pair your mobile device with your speaker using *Bluetooth* wireless technology or Near Field Communication (NFC).

You can also use the Bose Connect app to pair your mobile device (see page 7).

### What is NFC?

NFC is a technology that enables mobile devices to establish wireless communication with each other by simply tapping the mobile devices together. Refer to your mobile device owner's guide to see if your model supports NFC.

<b>If your mobile device does not support <i>Bluetooth</i> pairing via NFC or if you are unsure:</b>	Follow the instructions for "Pairing your mobile device" on page 16.
<b>If your mobile device supports <i>Bluetooth</i> pairing using NFC:</b>	Follow the instructions for "Pairing a mobile device with NFC" on page 17.

**Note:** If your mobile device supports *Bluetooth* pairing via NFC, you can use either pairing method.

## Pairing your mobile device

---

When you power your speaker on for the first time, the speaker automatically searches for your mobile device.

1. On your mobile device, turn on the *Bluetooth*® feature.

**Tip:** The *Bluetooth* feature is usually found in the Settings menu.

2. Select your Bose® SoundLink® speaker from the device list.

Once paired, you hear “Connected to <mobile device name>,” and the *Bluetooth* indicator glows solid white.

**Note:** To pair another mobile device, see page 18.

## Pairing a mobile device with NFC

1. Unlock your mobile device and turn on the *Bluetooth®* and NFC features.  
Refer to your mobile device owner's guide to learn more about these features.
2. Tap the NFC touchpoint on your mobile device to the top of your speaker.  
Your device may prompt you to accept pairing.

Once paired, you hear "Connected to <mobile device name>," and the *Bluetooth* indicator glows solid white.

## Pairing another mobile device

---

You can store up to eight paired mobile devices in the speaker pairing list.

- Press and hold the *Bluetooth*® button  until the *Bluetooth* indicator blinks blue, and you hear, “Ready to pair another device.” Pair your mobile device to the speaker (see page 16).
- If your mobile device supports pairing via NFC, see page 17.

## Disconnecting a mobile device

---

- Turn off the *Bluetooth* feature on your mobile device.
- If your mobile device supports pairing via NFC, tap and hold the NFC touchpoint on your mobile device to the top center of your speaker.

## Reconnecting a mobile device

---

When powered on, your speaker tries to reconnect with the two most recently connected mobile devices.

**Note:** The mobile devices must be within range and powered on.

If your mobile device supports pairing via NFC, tap the NFC touchpoint on your mobile device to the top of your speaker.

You can store up to eight paired mobile devices in the speaker pairing list and your speaker can be actively connected to two mobile devices at a time.

**Note:** You can only play audio from one mobile device at a time.

## Identifying the connected mobile devices

---

Press **ⓧ** to hear which mobile devices are currently connected.

## Switching between two connected mobile devices

---

1. Pause audio on your first mobile device.
2. Play audio on your second mobile device.

## Connecting to a mobile device stored in your speaker's pairing list

---

1. Press **ⓧ** to hear which mobile device is currently connected.
2. Press **ⓧ** within two seconds to connect to the next mobile device in your speaker's pairing list.
3. Repeat until you hear the desired mobile device name.
4. Play audio on the connected device.

## Clearing your speaker's pairing list

---

1. Press **ⓧ** and hold for 10 seconds, until you hear “*Bluetooth*® device list cleared. Ready to pair.”

All mobile devices are cleared and your speaker is ready to pair a new mobile device.

2. Delete your Bose® SoundLink® speaker from the *Bluetooth* list on your device.

## Using the Bose® Connect app

---

You can also easily manage multiple connected mobile devices using the Bose Connect app. For more information, see page 7.

## CONNECTING A CABLED DEVICE

---

You can connect the audio output of a smartphone, tablet, computer or other type of mobile device to the speaker's AUX connector.

### Using a cable to connect a mobile device

---

The AUX connector accepts a 3.5 mm stereo cable plug (not provided).

1. Using a 3.5 mm stereo cable, connect your mobile device to the AUX connector on your speaker.

2. Press  on your speaker.
3. Press .

The Input indicator glows white.

## Battery protection mode

---

When your speaker is unplugged and unused for more than three days with a remaining charge of less than 10 percent, it enters battery protection mode to preserve battery power. To reactivate your speaker, connect it to a USB wall charger or computer that is powered on.

When not in use, store your speaker in a cool place.

**Note:** Do not store your speaker for extended periods when fully charged or when the battery indicator blinks red.

## Auto-off setting

---

Your speaker powers off after 30 minutes of inactivity (no sound coming from your speaker) while operating on battery power.

### Disabling auto-off

1. Press and hold **+** and **↻** simultaneously.

You hear "Auto-off disabled."

2. Repeat to re-enable the auto-off feature.

### Status indicators

---

The top of the system has a series of indicators that glow according to system state.

Battery indicator

## Battery indicator

Shows the battery charge level. Each time you power on your speaker, the battery indicator displays the battery charge level for two seconds and a voice prompt announces the battery charge level.

To check the battery charge level, press and hold  while checking the battery indicator.

**Note:** Battery performance varies with the content played and the volume level at which it is played. In typical use, the speaker battery lasts up to eight hours.

Indicator activity	System State
Solid green	Charged / medium to full charge
Blinking amber	Charging
Solid amber	Medium charge
Blinking red	Need to charge

## Bluetooth® indicator

Shows the connection status of a mobile device.

Indicator activity	System state
Blinking blue	Ready to pair
Blinking white	Connecting
Solid white	Connected

## Input indicator

Shows the connection status of a mobile device connected with an AUX cable.

Indicator activity	System state
Solid white	System is ready to play content from a device

For more information on using a cable to connect a mobile device, see page 20.

### Cleaning

---

- Clean the surface of the speaker with a soft, damp cloth (water only).
- Do not use any sprays near the speaker. Do not use any solvents, chemicals, or cleaning solutions containing alcohol, ammonia or abrasives.
- Do not allow liquids to spill into any openings.

### Customer service

---

For additional help, contact Bose customer service. Refer to the contact sheet in the carton.

### Limited warranty

---

Your speaker is covered by a limited warranty. Details of the limited warranty are provided on the warranty card in the carton. Please refer to the warranty card for instructions on how to register. Failure to register will not affect your limited warranty rights.

The warranty information provided with this product does not apply in Australia or New Zealand. See our website at [www.bose.com.au/warranty](http://www.bose.com.au/warranty) or [www.bose.co.nz/warranty](http://www.bose.co.nz/warranty) for details of the Australia and New Zealand warranty.

### Technical information

---

**Input Voltage:** 5V 

**Input Current:** 1A

If you experience problems with your *Bluetooth*® speaker:

- Check the battery indicator (see page 23). Charge your speaker if necessary.
- Make sure all cables are securely attached.
- Check the state of status indicators (see page 22).
- Place your speaker according to placement guidelines (see page 9).
- Make sure your mobile device supports *Bluetooth*® or *Bluetooth* pairing via NFC technology (see page 15).

If you could not resolve your issue, see the table below to identify symptoms and solutions to common problems. If you are unable to resolve your issue, contact Bose® customer service.

## Common solutions

The following table lists symptoms and possible solutions to common problems.

Problem	What to do
Battery won't charge	<ul style="list-style-type: none"> <li>• Battery may be in protection mode or discharged. Plug the USB charging cable into a USB wall charger or computer that is powered on.</li> </ul>
No power (battery)	<ul style="list-style-type: none"> <li>• Connect the USB charging cable to a different USB port.</li> <li>• Use a different USB cable.</li> <li>• Use a different wall charger.</li> <li>• Connect to a different AC (mains) power source.</li> </ul>
Speaker won't pair with mobile device	<ul style="list-style-type: none"> <li>• On your mobile device, turn the <i>Bluetooth</i>® feature off and then on. Remove your speaker from the <i>Bluetooth</i> list on your mobile device. Pair your mobile device again.</li> <li>• Clear your speaker's pairing list: Press <math>\mathbb{X}</math> and hold for 10 seconds. Delete your Bose SoundLink speaker from the <i>Bluetooth</i> list on your device. Pair again.</li> <li>• Pair a different device (see page 15).</li> <li>• Reset your speaker (see page 27).</li> </ul>
Speaker won't pair with NFC	<ul style="list-style-type: none"> <li>• Unlock your device and turn on the <i>Bluetooth</i> and NFC features.</li> <li>• Tap the NFC touchpoint on the back of your device to the top of your speaker.</li> <li>• Use <i>Bluetooth</i> to pair your device (see page 16).</li> </ul>

## TROUBLESHOOTING

---

Problem	What to do
No sound	<ul style="list-style-type: none"> <li>• On your mobile device, turn the <i>Bluetooth</i>® feature off and then on. Remove your Bose SoundLink speaker from the <i>Bluetooth</i> list on your mobile device. Pair your mobile device again.</li> <li>• Increase the volume on your speaker, your mobile device and music source.</li> <li>• Verify voice prompts are on. Press  to hear the connected mobile device. Make sure you are using the correct mobile device.</li> <li>• Use a different music source.</li> <li>• Pair a different mobile device (see page 15).</li> <li>• If two mobile devices are connected, pause your other mobile device first.</li> <li>• Clear your speaker's pairing list: Press  and hold for 10 seconds. Delete your Bose SoundLink speaker from the <i>Bluetooth</i> list on your device. Pair again.</li> </ul>
No sound from a cabled mobile device	<ul style="list-style-type: none"> <li>• Power on the mobile device and play music.</li> <li>• Increase the volume on your speaker and mobile device.</li> <li>• Press and release  until the Input indicator glows white.</li> <li>• Use a different AUX cable.</li> <li>• Increase the volume on the mobile device.</li> <li>• Connect a different mobile device.</li> </ul>
Poor sound quality	<ul style="list-style-type: none"> <li>• Use a different music source.</li> <li>• Pair a different mobile device.</li> <li>• Disconnect the second device.</li> <li>• Increase the volume on your mobile device and music source.</li> </ul>
Poor sound quality from a cabled mobile device	<ul style="list-style-type: none"> <li>• Increase the volume on your speaker and mobile device.</li> <li>• Use a different AUX cable.</li> <li>• Connect a different mobile device.</li> </ul>
Audio plays from the wrong mobile device (when two mobile devices are connected)	<ul style="list-style-type: none"> <li>• Press  to hear the connected mobile device(s). Make sure you are using the correct mobile device.</li> <li>• Pause or quit the music source on the device playing music.</li> <li>• Disconnect the second device.</li> </ul>
Speaker powers off	<ul style="list-style-type: none"> <li>• If using a cabled mobile device, increase the volume on your mobile device.</li> <li>• Disable auto-off (see page 21).</li> </ul>

## Resetting your speaker

---

Factory reset clears paired devices and language settings from your speaker and returns it to original factory settings.

1. Power on your speaker.
2. Press and hold  for 10 seconds until the *Bluetooth*<sup>®</sup> indicator blinks blue, and you hear a voice prompt to select a language (see page 14).

## Important Safety Instructions

**Please read and keep all safety and use instructions.**

Refer to the owner's guide (online) for more information about your speaker (including accessories and replacement parts). To request a printed copy, use the phone numbers provided. Owner's Guide: global.bose.com/Support/SLCI

- Read these instructions.
- Keep these instructions.
- Heed all warnings.
- Follow all instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Only use attachments/accessories specified by the manufacturer.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Refer all servicing to qualified personnel. Servicing is required when the apparatus has been damaged in any way.

### WARNINGS/CAUTIONS

 This symbol means there are important operating and maintenance instructions in this guide.

- Use this product only with an agency approved power supply which meets local regulatory requirements (e.g., UL, CSA, VDE, CCC) in accordance with the manufacturer's specifications.
- The product label is located on the bottom of the product.
- Do NOT place naked flame sources, such as lighted candles, on or near the product.
- Do NOT make unauthorized alterations to this product.
- If the battery leaks, do not allow the liquid to come in contact with the skin or eyes. If contact is made, seek medical advice.

Do not use products containing batteries to excessive heat (e.g. from storage in direct sunlight, fire or the like).

### CAN ICES-3 (B)/NMB-3(B)

**NOTE:** This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, this is not guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, you are encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Connect the equipment to an outlet on a different circuit than the one to which the receiver is connected.
  - Consult the dealer or an experienced radio/TV technician for help.
- Changes or modifications not expressly approved by Bose Corporation could void the user's warranty to use this equipment.

This device complies with part 15 of the FCC Rules and Industry Canada license-exempt RSS standard(s).

Operation is subject to the following two conditions: (1) This device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This device complies with FCC and Industry Canada RF radiation exposure limits set forth for general population. It must not be co-located or be operating in conjunction with any other antennas or transmitters.

This equipment should be installed and operated with a minimum distance of 8 inches (20 cm) between the radiator and your body. Meets IDA Requirements.

**DONT** attempt to remove the rechargeable lithium-ion battery from this product. Contact your local Bose retailer or other qualified professional for removal.

**Input Rating:** 5 V  1A

### Management Regulation for Low-power Radio-frequency Devices

#### Article XII

According to "Management Regulation for Low-power Radio-frequency Devices" without permission granted by the NCC, any company, enterprise, or user is not allowed to change frequency, enhance transmitting power or alter original characteristics as well as performance to an approved low power radio frequency devices.

#### Article XIV

The low power radio-frequency devices shall not influence aircraft security and interfere legal media communications; if found, the user shall cease operating immediately until no interference is achieved. The said legal communications means radio communications operated in compliance with the telecommunications Act.

The low power radio-frequency devices must be susceptible with the interference from legal communications or ISM radio wave radiated devices.

 Bose Corporation hereby declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC and all other EU directive requirements. The complete declaration of conformity can be found at: [www.Bose.com/compliance](http://www.Bose.com/compliance)

 **Please dispose of used batteries properly, following local regulations.** Do not incinerate. This symbol means the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment. For more information on disposal and recycling of this product, contact your local municipality, disposal service, or the shop where you bought this product.

**Date of Manufacture:** The eighth digit in the serial number indicates the year of manufacture; "5" is 2005 or 2015.

**China Importer:** Bose Electronics (Shanghai) Company Limited, Part C, Plan 9, No. 353 North Riving Road, China (Shanghai) Pilot Free Trade Zone

**EU Importer:** Bose GP, Castletibney Road, Carrickmacross, County Monaghan, Ireland

**Taiwan Importer:** Bose Taiwan Branch, 9F-A1, No.10, Section 3, Minsheng East Road, Taipei City 104, Taiwan, Taiwan Service Phone Number: 886 2 254 7977

**Mexico Importer:** Bose de Mexico, S. de R.L. de C.V., Paseo de las Palmas 405-204, Lomas de Chapultepec, 1000 Mexico, D.F. Mexico Service Phone Number: 001 800 900 2673

#### Please complete and retain for your records

## Vigtige sikkerhedsinstruktioner

**Læs og opbevar venligst alle sikkerheds- og brugsinstruktioner.**

Der henvises til brugervejledningen (online) for flere oplysninger om din højttaler (herunder tilbehør og reservedele). Hvis du vil bestille et trykt eksemplar, skal du bruge de anførte telefonnumre. Brugsvejledning: global.bose.com/Support/SLCI

- Læs disse instruktioner.
- Gem disse instruktioner.
- Ret dig efter alle advarsler.
- Følg alle instruktioner.
- Installér ikke i nærheden af varmekilder som f.eks. radiatorer, varmeovne, komfurer eller andre apparater (herunder forstærkere), der producerer varme.
- Brug kun tilslutningsudstyr/tilbehør, der er angivet af producenten.
- Åbryd strømmen til apparatet under tordenvejr, eller når det står ubrugt i lang tid.
- Overlad al service til kvalificeret servicepersonale. Service er påkrævet, hvis apparatet på nogen måde er blevet beskadiget.

### ADVARSEL/FORSIGTSIGEDSFORHOLDSREGLER

 Dette symbol betyder, at der er vigtige betjenings- og sikkerhedsinstruktioner i denne vejledning.

- Må kun bruges med en godkendt strømforsyning, der overholder de lokale love og regler (f.eks. UL, CSA, VDE, CCC) i henhold til producentens specifikationer.
- Produktemarkener kan findes i bunden af produktet.
- Placer IKKE nogen form for ilden til (f.eks. stearinlys) på eller tæt ved apparatet.
- Forøg ikke nogen uautoriserede ændringer af produktet.
- Hvis batterierne lækker, må væsken ikke komme i kontakt med huden eller øjnene. Hvis der finder kontakt sted, skal der søges læge.
- Udsæt ikke produktet, der indeholder batterier, for voldsbarm varme (f.eks. ved opbevaring i direkte sollys, brand eller lignende).

### CAN ICES-3 (B) /NMB-3 (B)

**BEMÆRK:** Dette udstyr er testet og overholder grænseværdierne for en digital enhed i Klasse B, afsnit 15 af FCC's bestemmelser. Disse grænser er udviklet til at yde rimelig beskyttelse mod skadelig interferens i en privat installation. Dette udstyr genererer, bruger og kan udsende radiofrekvent energi, og kan – hvis den installeres og bruges i overensstemmelse med installations- og forbrugs- skadelig interferens i forbindelse med radioelektronik. Dette garanterer dog ikke, at der ikke kan forekomme interferens i en særskilt installation. Hvis dette udstyr forårsager skadelig interferens i radioelektronik med radio- og tv-modtagelsen, hvilket kan kontrolleres ved at slukke og tænde for udstyret, opfordres du til at forsøge at eliminere interferensen ved hjælp af en eller flere af følgende fremgangsmåder:

- Ret modtagelsen om i en anden retning, eller flyt antennen.
- Stab store afstand mellem udstyret og modtageren.
- Tilslut udstyret til en stikontakt på et andet værelse end det, hvor modtageren er tilsluttet.
- Kontakt forhandleren eller en radio-fv-tekniker for at få hjælp.

Ændringer eller modificeringer, der ikke udtrykkeligt er godkendt af Bose Corporation, kan opbevare begrænset ret til at betjene dette udstyr.

Denne enhed overholder del 15 i FCC-reglerne og Industry Canada's licensfritagelse RSS-standard(er).

Driften er underlagt følgende to betingelser: (1) Denne enhed må ikke forårsage skadelig interferens, og (2) denne enhed skal acceptere enhver interferens, herunder interferens, der kan forårsage, at apparatet ikke fungerer efter hensigten.

Denne enhed overholder FCC's og Industry Canada's strålingssektionsgrænser for befolkningen i almindelighed. Den må ikke placeres sammen med eller anvendes sammen med nogen andre antenner eller sendere. Dette udstyr skal installeres og anvendes med en afstand på mindst 20 cm mellem strålingskilden og din krop.

Overholder IDA-kravene.

**UNDLAD** forsøg på at fjerne det genopladelige lithium-ion batteri fra dette produkt. Kontakt dit lokale Bose-forhandler eller anden kvalificeret tekniker vedrørende fjernelse.

**Inputklassifikation:** 5 V  1 A

### Management Regulation for Low-power Radio-frequency Devices

#### Article XII

I henhold til "Management Regulation for Low-power Radio-frequency Devices" må ingen virksomhed, organisation eller bruger uden tilladelse fra NCC ændre frekvensen, øge transmissionseffekten eller ændre de oprindelige egenskaber eller ydeevnen for godkendte laveffekt radiofrekvent enheder.

#### Article XIV

Laveffekt radiofrekvent enheder må ikke påvirke fysisk enheden eller forstyrre lovlige kommunikation; hvis dette konstateres, skal brugeren øjeblikkeligt ophøre med at bruge enheden, indtil der opnås en tilstand uden forstyrrelser. Den omfattede lovlige kommunikation vil sige radio kommunikation, der anvendes i overensstemmelse med telekommunikationsloven.

Laveffekt radiofrekvent enheder skal kunne modtage forstyrrelser fra lovlige kommunikation eller enhver, der udsender GSM-radiobølger.

 Bose Corporation erklærer hermed, at dette produkt stemmer overens med de væsentlige krav og andre relevante bestemmelser i direktiv 1999/5/EF og alle andre krav EU-direktivet. Den fulde overensstemmelseserklæring kan findes på [www.Bose.com/compliance](http://www.Bose.com/compliance)

 **Bortskaf brugte batterier i henhold til lokale bestemmelser.** Batterier må ikke brændes. Dette symbol betyder, at produktet ikke må amides ud som husholdningsaffald og bør indleveres til en passende indsamlingsordning med henblik på genanvendelse. Korrekt bortskaffelse af genanvendelige bidrager til at beskytte naturressourcer, menneskets sundhed og miljøet. Hvis du ønsker flere oplysninger om bortskaffelse og genanvendelse af dette produkt, kan du kontakte din kommune, dit renovationselskab eller den butik, hvor du har købt dette produkt.

**Fremstillingsdato:** De otte cifre i serienummeret angiver fremstillingsåret; "5" er 2005 or 2015.

**Importer i Kina:** Bose Electronics (Shanghai) Company Limited, Part C, Plan 9, No. 353 North Riving Road, China (Shanghai) Pilot Free Trade Zone

**Importer i EU:** Bose GP, Castletibney Road, Carrickmacross, County Monaghan, Ireland

**Importer i Taiwan:** Bose Taiwan Branch, 9F-A1, No.10, Section 3, Minsheng East Road, Taipei City 104, Taiwan, Telefonnummer til service i Taiwan: 886 2 254 7977

**Importer i Mexico:** Bose de Mexico, S. de R.L. de C.V., Paseo de las Palmas 405-204, Lomas de Chapultepec, 1000 Mexico, D.F. Telefonnummer til service i Mexico: 001 800 900 2673

**Besed udtrykt og opbevaret, så du har det til rådighed**

Serie- og modelnumre kan findes på højttalerens bundpanel.

## Wichtige Sicherheitshinweise

**Bitte lesen Sie alle Sicherheitshinweise und Gebrauchsanleitungen durch und bewahren Sie sie auf.**

In der Bedienungsanleitung (online) finden Sie weitere Informationen über Ihren Lautsprecher (zum Beispiel Zubehör und Ersatzteile). Wenn Sie ein gedrucktes Exemplar erhalten möchten, verwenden Sie eine der angeführten Telefonnummern.

Bedienungsanleitung: global.bose.com/Support/SLCI

- Lesen Sie die folgenden Anweisungen.
- Bewahren Sie die Anweisungen auf.
- Beachten Sie alle Warn- und Sicherheitshinweise.
- Befolgen Sie alle Anweisungen.
- Stellen Sie das Gerät nicht in der Nähe von Wärmequellen auf, wie Heizkörpern, Wärmepumpen, Öfen oder anderen Geräten (auch Verstärkern), die Wärme erzeugen.
- Verwenden Sie nur Zubehör-/Anbauteile, die vom Hersteller zugelassen sind.
- Ziehen Sie das Netzkabel bei Gewitter oder bei längerer Nichtbenutzung des Gerätes aus der Steckdose.
- Wenden Sie sich bei allen Reparatur- und Wartungsarbeiten nur an qualifiziertes Personal. Eine Reparatur ist erforderlich, wenn das Gerät in irgendeiner Weise beschädigt wurde.

### WARNUNGEN/VORSICHTSMASSNAHMEN

 Dieses Symbol macht auf wichtige Bedienungs- und Wartungsanweisungen in diesem Handbuch aufmerksam.

- Verwenden Sie dieses Produkt nur mit einem zugelassenen Netzteil, das die lokalen gesetzlichen Anforderungen erfüllt (z. B. UL, CSA, VDE, CCC) und den Angaben des Herstellers entspricht.
- Das Gerät mit der Produktbezeichnung befindet sich auf der Unterseite des Geräts.
- Stellen Sie KEINE brennenden Kerzen oder ähnliches auf das Gerät oder in die Nähe des Geräts.
- Nehmen Sie KEINE nicht genehmigten Änderungen an diesem Produkt vor.
- Wenn der Akku ausfällt, achten Sie darauf, dass Ihre Haut oder Ihre Augen nicht in Kontakt mit der austretenden Flüssigkeit kommen. Suchen Sie in Falle eines Kontakts einen Arzt auf.

Setzen Sie Produkte mit Batterien keiner großen Hitze aus (z. B. durch Aufwahrung in direkten Sonnenlicht, Feuer oder ähnliches).

### CAN ICES-3 (B) /NMB-3 (B)

**HINWEIS:** Dieses Gerät wurde getestet und erfüllt die Grenzwerte für digitale Geräte der Klasse B gemäß Abschnitt 15 der FCC-Vorschriften. Diese Grenzwerte wurden festgelegt, um einen angemessenen Schutz gegen elektromagnetische Störungen bei einer Installation in Wohngebieten zu gewährleisten. Dieses Gerät erzeugt und verwendet Hochfrequenzstrahlung und kann sie auch ausstrahlen. Daher verursacht das Gerät bei nicht ordnungsgemäßer Installation und Benutzung möglicherweise Störungen des Funkverkehrs. Es wird jedoch keine Garantie dafür gegeben, dass bei einer bestimmten Installation keine Störstrahlungen auftreten. Sollte dieses Gerät die FCC- oder Fernsehempfangs stören (Sie können dies überprüfen, indem Sie das Gerät aus- und wieder einschalten), so ist der Benutzer dazu angehalten, die Störungen durch eine der folgenden Maßnahmen zu beheben:

- Neuausrichtung der Antenne.
- Vergößern Sie den Abstand zwischen dem Gerät und einem Radio- oder Fernsehempfänger.
- Schließen Sie das Gerät an eine Steckdose an, die nicht mit dem Stromkreis des Radio- bzw. Fernsehempfangs verbunden ist.
- Wenden Sie sich an einen Händler oder einen erfahrenen Radio-/Fernsehtekniker.

Veränderungen am Gerät, die nicht durch die Bose Corporation autorisiert wurden, können zur Folge haben, dass die Betriebserlaubnis für das Gerät erlischt.

Dieses Gerät erfüllt die Bestimmungen in Teil 15 der FCC-Vorschriften und die Lizenzfreien Standards von Industry Canada.

Der Betrieb unterliegt den beiden folgenden Bedingungen: (1) Dieses Gerät darf keine Störungen verursachen und (2) dieses Gerät muss jegliche Störungen dulden, einschließlich Störungen, die zu einem unerwünschten Betrieb des Geräts führen.

Dieses Gerät erfüllt die HF-Strahlungsemissionsgrenzwerte der FCC und von Industry Canada für die allgemeine Bevölkerung. Es darf nicht zusammen mit anderen Antennen oder Sendern aufgestellt oder betrieben werden.

Dieses Gerät sollte mit einem Mindestabstand von 20 cm zwischen dem Radiator und Ihren Körper aufgestellt und betrieben werden.

Erfüllt die DA-Anforderungen.

Versuchen Sie NICHT, die aufladbare Lithium-Ionen-Batterie aus diesem Produkt zu nehmen. Wenden Sie sich zum Herausnehmen an Ihren Bose-Händler oder einen anderen qualifizierten Fachmann.

**Eingangsspannung:** 5 V  1 A

### Verwaltungsverordnung für energiermeine Funkfrequenzgeräte

Laut der „Verwaltungsverordnung für energiermeine Funkfrequenzgeräte“ dürfen Unternehmen oder Benutzer ohne Erlaubnis durch die NCC folgendes nicht: die Frequenz ändern, die Übertragungsleistung verbessern oder die ursprünglichen Eigenschaften sowie die Leistung für ein zugelassenes energiermeines Funkfrequenzgerät ändern.

**Artikel XIV**

Energiermeine Funkfrequenzgeräte dürfen die Flugsicherheit nicht beeinträchtigen oder gesetzlich zulässige Kommunikation stören. Andernfalls muss der Benutzer den Betrieb sofort einstellen, bis keine Störung mehr auftritt. Besagte gesetzlich zulässige Kommunikation bedeutet Funkkommunikation, die in Übereinstimmung mit den Telekommunikationsgesetzen erfolgt. Energiermeine Funkfrequenzgeräte müssen für Störung durch gesetzlich zulässige Kommunikation oder Geräte mit ISM-Funkwellenstrahlung empfänglich sein.

 Die Bose Corporation erklärt hiermit, dass dieses Produkt die wesentlichen Anforderungen und andere relevante Bestimmungen der Richtlinie 1999/5/EG und weitere EU-Richtlinien erfüllt. Die vollständige Konformitätserklärung ist einsehbar unter [www.Bose.com/compliance](http://www.Bose.com/compliance)

 **Leere Akkus müssen getrennt entsorgt werden und gehören nicht in den Hausmüll.** Nicht verbrennen. Dieses Symbol bedeutet, dass das Produkt nicht mit dem Hausmüll entsorgt werden darf, sondern bei einer geeigneten Sammelstelle für das Recycling abgegeben werden muss. Die ordnungsgemäße Entsorgung und das Recycling tragen dazu bei, die natürlichen Ressourcen, die Gesundheit und die Umwelt zu schützen. Weitere Informationen zur Entsorgung und zum Recycling dieses Produkts erhalten Sie von ihrer zuständigen Kommune, Ihrem Entsorgungsdienst oder dem Geschäft, in dem Sie dieses Produkt gekauft haben.

**Herstellungsjahr:** Die acht Ziffern in der Seriennummer gibt das Herstellungsjahr an; "5" ist 2005 oder 2015.

**China-Import:** Bose Electronics (Shanghai) Company Limited, Part C, Plan 9, No. 353 North Riving Road, China (Shanghai) Pilot Free Trade Zone

**EU-Import:** Bose GP, Castletibney Road, Carrickmacross, County Monaghan, Irland

## Belangrijke veiligheidsinstructies

**Lees alle veiligheidsinstructies en de gebruiksaanwijzing door en bewaar deze.**

Readleeg de gebruikershandleiding (online) voor meer informatie over de luidspreker (waaronder accessoires en reserveonderdelen). Om een gedrukt exemplaar aan te vragen, gebruik je de telefoonnummers die je hier ontvangen.

Gebruikershandleiding: global.bose.com/Support/SLCI

- Lees deze instructies door.
- Bewaar deze instructies.
- Neem alle waarschuwingen in acht.
- Volg alle instructies.
- Niet installeren in de buurt van warmtebronnen zoals radiatoren, verwarmingsroosters, kachels of andere apparaten (waaronder versterkers) die warmte produceren.
- Gebruik uitsluitend aansluitstukken/accessoires die door de fabrikant worden gespecificeerd.
- Verwijder de stekker van dit apparaat uit het stopcontact bij onweer of als het langere tijd niet wordt gebruikt.
- Laat alle onderhoud over aan bevoegde medewerkers. Onderhoud is vereist wanneer het apparaat is beschadigd.

### WAARSCHUWINGEN

 Dit symbool betekent dat deze handleiding belangrijke veiligheids- en onderhoudsinstructies bevat.

- Gebruik dit product uitsluitend met een goedgekeurde voeding die voldoet aan de plaatselijke voorschriften (bv. UL, CSA, VDE, CCC) in overeenstemming met de specificaties van de fabrikant.
- Het productlabel bevindt zich aan de onderkant van het product.
- Plaats GEEN open vlammen, zoals brandende kaarsen, op of bij het product.
- Er mogen GEEN wijzigingen aan dit product worden aangebracht door onbevoegden.
- Als de batterij lekt, zorg dan dat de vloeistof niet in aanraking komt met het huid of de ogen. Indien contact met de medische hulp in te roepen.
- Stel producten die batterijen bevatten niet bloot aan overmatige warmte (bv. door bewaring in direct zonlicht, door vuur en dergelijke).

### CAN ICES-3 (B)/NMB-3(B)

**OPMERKING:** Dit apparaat is getest en voldoet aan de normen voor een digitaal apparaat van klasse B, volgens deel 15 van de FCC-voorschriften. Deze normen zijn bedoeld om redelijke bescherming te bieden tegen schadelijke storing bij installatie in een woonomgeving. Dit apparaat genereert en gebruikt radiofrequentie energie en kan deze uitsenden en het kan, als het niet wordt getest/verreerd en gebruikt volgens de instructies, schadelijke storing veroorzaken aan radio- en televisieapparaten. Er is echter geen garantie dat er geen storing zal optreden bij een bepaalde installatie. Als deze apparaatuur schadelijke storing veroorzaakt aan de ontvangst van radio of tv, hetgeen kan worden bepaald door het apparaat aan te uit zetten, raden wij u aan de storing te verhelpen door een of meer van de volgende maatregelen:

- Richt de ontvangstantenne opnieuw of verplaats deze.
- Vergroot de afstand tussen de apparaatuur en de ontvanger.
- Sluit de apparaatuur aan op een stopcontact dat behoort tot een andere groep dan de groep waarvoor de ontvanger is aangesloten.
- Voor hulp neem je contact op met de dealer of een ervaren radio-of tv-technicus.

Veranderingen of aanpassingen die niet uitdrukkelijk zijn goedgekeurd door Bose Corporation kunnen leiden tot het vervallen van de bevoegdheid van de gebruiker om dit apparaat te gebruiken. Dit apparaat voldoet aan deel 15 van de FCC-voorschriften en aan de RSS-normen van Industry Canada voor vanvergunning vrijgestelde apparatuur.

Op het gebied zijn de volgende twee voorwaarden van toepassing: (1) Dit apparaat mag geen storing veroorzaken en (2) dit apparaat moet bestand zijn tegen storing, waaronder storing die kan leiden tot een ongewenste werking van het apparaat.

Dit apparaat voldoet aan de stralingsniveaus van de FCC en Industry Canada voor blootstelling van de bevolking aan RF-straling. Het mag niet worden geplaatst bij of samen worden gebruikt met andere antennes of zenders.

Dit apparaat moet getest/verreerd en gebruikt met een minimale afstand van 20 cm tussen de zender en je lichaam.

Voldoet aan de DA-verreiden.

Probeer de oplaadbare (lithium-ionen)batterij NIET uit dit product te verwijderen. Neem contact op met je plaatselijke Bose-dealer of ander bevoegd vakman om deze te verwijderen.

**Ingangsspecificaties:** 5 V
